To The Alumni

Again the time has come for a word of greeting. You now number more than five thousand and are scattered well over the world.

I have just been going through the catalogs of the Indiana State Normal School since the first one was issued in 1875. There has been a wonderful growth and development in the almost fifty years of the school's existence. Viewed close at hand, this growth and development probably never at any time seemed wonderful or remarkable. We are to be privileged in May and June of 1925 to look back over a half century of our school's history. The responsibility for planning a fitting celebration for such an event is too much for those now at the school to assume alone. We therefore ask you to send in any suggestions that may occur to you regarding what would be suitable and wise to do.

And may I renew the suggestion made in an earlier issue of the Herald regarding the sending in of letters of appreciation regarding Miss Leonard? You have merely overlooked this matter.

Greater things for Indiana—such as needed buildings and lengthened curricula—depend upon appropriations. It is well to keep in mind the services and needs of Indiana when talking with any of those who are to be members of the next General Assembly. I do not ask you to "lobby" for the school, but I am certain you appreciate how difficult it is to get information across to these people.

In conclusion, I wish—to and for each one of you—the happiest and most successful year of your life.

John A. H. Keith.

Indiana, Pa., Oct. 15, 1924.

Young Violinist Presented

Dr. John A. H. Keith and Mrs. Keith entertained with a delightful musicale in their home Thursday night, October the ninth. The artist presenting the program was Leo Kruczek, Violinist, accompained by Mary St. Clair King at the piano. About one hundred and seventy-five guests were present—members of the faculty and other friends.

Although in artistic execution the occasion was a formal one, in spirit it was informally cordial and spontaneous. Flowers aflame with the glory of autumn decorated the living room, where Dr. and Mrs. Keith received. The host and hostess were assisted by four young men as ushers and six girls, students of the Normal School.

After a happy exchange of friendly intimacies, the guests were seated in the library. All who heard the classical violin numbers played by Leo Kruczek, a lad of sixteen years and a pupil of Miss Margaret Horne, were convinced that he is a coming Kreisler. Young Kruczek left within the week to join the Minneapolis Symphony.

THE PROGRAM

On Wings of Song	Mendelssohn
Havanaise	Saint-Saens
Hark, Hark, the Lark	Shubert-Spaulding
Guitarre	Moskowski
Sonata C Minor	Grieg
Rondo Capriccioso	Saint-Saens
The rendition was a delightful pent.	privilege to those pres-

Ice cream in flower forms and delectable French pastries inspired further pleasantries over the coffee cups.

Y. W. C. A. Activities

The Young Women's Christian Association has been very active this school term. To begin with, a committee of the cabinet girls, the Eagles Mere delegates, and a few of the other members, came back to school the day before registration day and assisted Miss Stewart in her work of enrolling the girls. Artistic posters to welcome the newcomers had been placed in conspicuous places around the buildings, and the girls assisted in giving directions, finding rooms and roommates, and being of service in every possible way. As a fitting climax to the first week of school activities, a "Get-Acquainted" party was given in Recreation Hall, Saturday evening.

The Wednesday night meetings have been most interesting and inspiring. The year's program is now well under way and promises to be very worth while.

The officers for the year 1924-1925 are: President, Gearldine Folke; Vice-President, Carolyn Anderson; Secretary, Anna Mae Eichenouer; Treasurer, Johanna Mertz; and Undergraduate Representative, Angeline Sober.

Faculty Corn Roast

One of the most enjoyable events of the beginning of this school year was the faculty corn roast at Camp Rest-a-While on the evening of September twenty-fourth. Soon after the last car arrived, Miss Burke and Miss Esch, who so capably arranged the entire outing, announced that dinner was served. A sumptuous meal it was.

It was heartily enjoyed by the ninety or more persons seated around a long table under the trees. The children were delighted at the dignity of having a table all their own.

By the time that all had eaten, and chatted, and laughed as much as they wished it was time to return. Most of the party rode home. A few, however, enjoyed the tramp back through the autumn twilight. All agreed that there could not have been a more perfect "get-together."

1924 Instano Wins National Yearbook Prize

The 1924 Instano was awarded second place in Class II. (universities and colleges in the United States having an enrollment of less than 2,000) by the Art Crafts Guild, 500 N. Dearborn street, Chicago. A great loving cup was duly received by Dr. Keith, which is to be the property of the Normal School until May, 1925, when it is to be returned to the Guild.

However, if the 1925 Yearbook is fortunate enough to win the same award, the cup will become the permanent property of the School.

There were between three hundred and fifty and four hundred institutions competing in Class II, that is, colleges of less than 2,000 enrollment. Three national prizes were given in this class. The winners in the nation were:

First place, New York University. Second place, Indiana Normal School, Indiana, Pa. Third place, Rutgers College.

The judges of the contest were: (1) Morton Gibbons Neff, publicity director for Dill and Collins, Philadelphia; (2) Harry Hillman, editor of Inland Printer, Chicago; (3) Robert H. Harshe, director of the Art Institute, Chicago. The Instano staff turned over \$350.00 to the 1924 treasurer.

Several new members have been added to the Training School force this year:

Miss Dorothy Helen Wyckoff, A. B.; State Teachers' College, Greeley, Colorado; Chicago University.

Miss Wyckoff comes to Indiana from Wagner, South Dakota where she has been head of the Normal Department of the High School. She has charge of Fifth and Sixth Grades in the Borough Schools.

Miss Birdie Ray, B. S., State Teacher's College, Marysville, Missouri.

Miss Ray has had an excellent experience in upper grade supervision in the schools of Elmo, Missouri. More recently she has served as High School principal, Graham, Mo.

Miss Ray takes Miss Ayers' place as Training Teacher in the Sixth Grade, Campus School.

Miss Verna Newsome, B. A., University of Wisconsin, University of Chicago.

Miss Newsome supervises History and English in our Junior High School.

Miss Newsome's teaching experience covers supervision of English and History in the High School and Grades in Edgerton, Wisconsin.

Miss Olive Smallidge, A. B., University of Michigan.

Miss Smallidge is Fifth Grade Training Teacher. Formerly Miss Smallidge was a member of the teaching force of Battle Creek, Mich., and of Kalamazoo, Mich. More recently she was a member of the Normal School Faculty of Oshkosh, Wis.

Miss La Vada Reed, B. S., Valpariso University, Columbia University.

Miss Reed has taught in the Normal Schools at St. Cloud, Minnesota and at East Radford, Virginia. She has charge of one of the Fourth Grades in our East End Training School.

Miss Osie Overman, A. B., State Teacher's College, Terre Haute, Indiana.

Miss Overman's experience covers the field of Primary and High School work. She comes to us in the capacity of Third grade Training Teacher in the West End School.

Miss Anne O'Neill, B. S., Columbia University, has had a very excellent experience in Primary work in Wisconsin and Illinois. She has also taught primary methods in the State Teachers' College, Raleigh, N. C. Miss O'NeNill has charge of one of the Third grades in the East End School.

Miss Irene Kough, State Normal School, Westchester, Pa., Columbia University, has for the past two years served as Training Teacher in the Westchester Normal School. Miss Kough has charge of the Fourth grade in the Campus Training School.

Miss Mary Reed, formerly Primary Supervisor, has gone into the field of upper grade work. Her place as Primary Supervisor is filled by Miss Sydney Harring, A. B., State Normal College, Marquette, Mich. Miss Harring by training and experience in the Normal School field is splendidly qualified for the work which she is doing at Indiana.

Miss Ayers, Miss Buchanan and Miss Wagner have been granted a year's leave of absence. They are studying at Columbia and write with great enthusiasm of their work.

The Summer Session of the Training School was most interesting in every way this year. The enrollment was 281 and the percentage of attendance was high throughout the summer. Nine Training Teachers were kept busy with supervision and demonstration teaching. Nineteen student teachers completed their practice teaching.

The first number of the Junior High School paper, "The Arrow," was published shortly before school closed in June. It is a most creditable piece of work, attractive in form and very interesting in content. It will be published four times a year.

Says Winona Malcolm of the Ninth grade, in the June issue of "The Arrow":

WHAT WE HAVE ACCOMPLISHED THIS YEAR

We came to school at the beginning of the year hoping to accomplish many things, and I think we surely have. One of the greatest and most helpful of these accomplishments is the "Student Council" which consists of nine members, three from each grade. It is the council's business to attend to the different matters which arise in the department.

Another important accomplishment is the "Honor System" in which we score according to the number of helpful things we do to help our fellow students and ourselves. We have three honors to work for. The first is a sleeve emblem, the second is a sweater emblem and the third is a large banner, all three in our school colors, green and tan, which we have selected this year as our permanent school colors.

Another achievement is the organization of the "Girls' Choral Club." Although it was organized but a short time ago it has done some good work. It has had one candy sale, for the purpose of getting money to buy music for the club. The members of the club hope to accomplish much next year.

We have really done more in athletics this year than ever before. We had a very good boys' basket-ball teain, which won its games, and also a girls' long-ball team, which won its only game, which was played against the Normal team.

And now, last but not least, we are publishing our first issue of our school magazine, "The Arrow"."

JUNIOR HIGH SCHOOL CLUBS

Ninth Grade—"Live Wire Science Club."

Eighth Grade—"World Science Club," "Current Events Club."

Seventh Grade-"Citizenship Club."

The Choral Club.

The Orchestra.

The "raison d'etre" for the gigantic public school system in America is that it attempts to prepare boys and girls to take their place as well-equipped citizens in this great land of ours. This being the case, it is deemed wise that in the musical education of the public schools the thought be kept ever uppermost that the most important problem in this work is to prepare the children to become intelligent listeners of music, whether it be music found in the home or in the concert hall. Statistics show that only a comparatively small number of students going through the public schools become performers in music.

With these things in mind, we are this year attempting to stress the matter of Music Appreciation in all grades from the Kindergarten through the high school. Especially prepared victrola records suitable for the presentation of this subject are being used not only by the critic teach-

ers but by the student teachers under their charge.

We are finding that the children readily respond to rythmic suggestions, and that they are learning to enjoy the beautiful in music.

The Conservatory of Music

The Department of Music opened this year with a larger enrollment both in the course for Directors of Music and in the special musical organizations. Our latest prodigy, the band, now proudly numbers forty-five players, and is appearing at all home football games. Before the year closes this band will undoubtedly number seventy players in its ensemble. The orchestra of about thirty players is of a much better quality than heretofore. The Lyric Club is made up of one hundred thirty-five singers this year, almost all of whom are Seniors. The Vested Choir, now under the direction of Miss Mary Lowman, was filled immediately upon the opening of school and is made up of sixty-five singers.

This year the Artists Concert Series will include four numbers instead of three as formerly, with no advance in the cost of the season ticket. The concerts will be as follows:

Monday, November 10,—Lambert Murphy with assisting artists.

Monday, January 26,-New York String Quartet.

Friday, February 13,—L'Ombra, an opera comique in English.

Friday, March 6,—Riozsi Varady, 'Cellist.

Every attempt is being made throughout the entire Department of Music to place more emphasis upon the subject of Music Appreciation. Each phase of the work in music is already feeling the impetus from the fact that more attention is given to this subject.

Dr. Bertha T. Caldwell, a former student at Indiana, died Monday, August eleventh, at the Memorial Hospital, Johnstown, Pa. Death resulted from injuries sustained the night of July 31, when she fell through the flooring of the Coopersdale bridge into the Conemaugh river. After leaving Indiana as a student Dr. Caldwell completed her medical course at the Women's Medical College in Philadelphia and went to India as a medical missionary for a period of about eight years. Dr. Caldwell was very prominent in the state as a physician, civic, church and welfare worker.

Notes

Florence Hall, class of 1919, and Verla Ross, class of 1920, graduated from Bethany College, Bethany, W. Va., on June 12, 1924, with A. B. degrees.

Miss Kathryn J. Kurtz, gradute of the Public School Music Department 1920, is now Supervisor of Music in Lock Haven, Pa. After completing the course at Indiana, she entered the Ithaca Conservatory, Ithaca, N. Y., and graduated with honors, receiving a gold medal for proficiency shown in a conducting contest. Miss Kurtz spent last summer abroad, traveling through seven different countries of Europe.

Among the five graduating with honor in this year's class of sixty-five at Westminster College are the Misses Mary Belle and Ruth Simpson, daughters of Mrs. Josephine Hamill Simpson of the class of '89.

To the Alumni:

We wish to thank the members of the alumni who have already sent in their letters "In Memory of Jane E. Leonard."

We expect to receive many more letters in appreciation of the life and influence of Miss Leonard, before the closing of the year of 1924.

The simple requirements are:

- 1. Address the letter to the Indiana State Normal School.
- 2. Write on paper 8½ by 11 inches.

Athletics

With memories still lingering of the great football games played by the Red and Slate during the 1923 season when we lost but two games, the sports chatter for the last eight weeks has been "What are Indiana's chances for a good football team this season? The question can be answered in one word, "Good!"

Coach Ruffner planned far ahead for the coming football campaign and after rounding up his material decided to start work early. About Labor Day the football camp at Indiana was opened with the result that about fourteen candidates reported. At the beginning of school that number was raised to thirty. Several members of last year's team are back, including Smith and Apple of Indiana and Russ McCaig, of Pitcairn. Among the new men who are expected to give a good account of themselves are Tuk, Sweeney, Dotterway and Chalmers, Latrobe; Allshouse and Hughes, Derry; Coleman, Greensburg; Saylor, Somerset; Moore, South Fork; King, Pitcairn; and Montgomery, Swartz and Magill of DuBois.

School spirit which was very poor in recent years came to light almost over night. But why shouldn't Indiana support a team like the one that represents the Red and Slate this season? Cheer leaders were appointed, pep meetings held and everyone noticeably a part of the institution was awaiting the whistle for the first game.

Indiana 7---Conemaugh 6

The first game was a real test when we bucked up against the strong Conemaugh High team. Everyone will remember the great game between the two teams last season. Fine weather greeted the players as well as fans for the opening game on Sept. 27. A crowd estimated at one thousand students and town people witnessed the battle which resulted in a seven to six score in favor of Indiana. The game was hard fought, being featured by hard tackling. Throughout most of the game straight football tactics were used, little passing being done by either side. The backfield of the Indiana team played well, getting away for several end runs. The first touchdown was made in the

third quarter by fullback Chalmers, followed by one by Christoff of Conemaugh on a long run of 60 yards. During the fourth quarter Indiana threatened to score again but was not successful because of penalties that were inflicted.

Indiana 40—Windber 0

In the first game many rough edges were noticed and immediate action on the part of the coach put the boys in good shape for the game with Windber. On Oct. 4 our team journeyed to Windber where they mowed down the high school gridders in easy fashion, 40 to 0. A record breaking crowd was present which saw a hard fought contest in the first half, which ended 7 to 0. Indiana, however, wore down the coal towners and in the third quarter scored 33 points. This was the second victory for our team.

Indiana 39-Edinboro Normal 0

On Oct. 11 Coach Ruffner's gridders invaded Edinboro territory and displayed their class among the Normal schools of the state, by winning from the strong Edinboro aggregation by a 39 to 0 score. A large crowd was present, the day being Alumni Welcome Day. The team was treated royally while at Edinboro and everyone was satisfied that the trip was a success in every way but one. Mike Sweeney, our center, had his shoulder injured and will be out of the game for at least three weeks. Mike received the injury early in the second half but struck to his post until the game was nearly over.

Indiana 74—Altoona Apprentice 0

On Oct. 15 we easily toppled Altoona by a 74 to 0 score. The Railroaders were big but were unable to withstand the pace set by our team which works better each game. At present the indications are for a successful season on the gridiron.

Indiana 47—Westinghouse Tech 0

On Oct. 25 the highly touted Westinghouse Tech team that held the Carnegie Tech Freshmen to a 6 to 6 score, was played and succombed to a 47 to 0 score. Although greatly outweighed, Indiana outcharged and outran the Tech players. Dotterway, Chalmers and King stood out

with long gains, while Coleman used discretion in selecting his plays. Indiana's line did its part by not letting the opponents score a single first down. To date Indiana has scored 207 points to her opponents' 6.

The 1924 Health Week

The Slogan

"70 Plus"

The Date

October 19 to 26

Purposes:

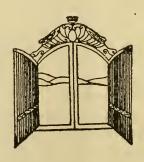

- 1. To stimulate greater interest in improving personal health habits.
- 2. To create an interest in all of the activities relating to the student's health.
- 3. To show the responsibility of the student for better school hygiene and sanitation.

We hope to realize these purposes by:

- 1. Requesting each member of the faculty to place particular emphasis upon
 - a. Proper ventilation of class room
 - b. Removal of wraps in class room
 - c. Correct standing and sitting positions
 - d. The importance of visting the infirmary when nature gives her first warning.

- 2. Having health songs, talks and demonstrations in chapel.
- 3. Making use of the Health Habit Score Chart
- 4. Urging every student to find out what can be done about his physical defect.
- 5. Giving health examinations to all students who have not yet been examined.
- 6. Organizing good-health hiking clubs.
- 7. Reserving in library, popular reading on health education.
- 8. Making a health alphabet in the art classes.
